Located at the corner of Peachtree St. and West Peachtree St. in the heart of Downtown Atlanta, Max Lager's Wood-Fired Grill & Brewery is at the epicenter of the central business and hotel district of the city. The circa 1913 building with its brick, beams, patio and deck houses a restaurant where comfort and quality merge to create a soulful dining experience.

Service makes the difference. As an independent restaurant established in 1998, the Max Lager's team prides itself in offering professional service with a commitment of caring. This is one of the reasons why it is common for many guests to return even though they are only visiting Atlanta for a couple of days.

RSVP Required!
(Space is limited to the first 100 registrants)
FREE for those who RSVP before
February 17, 2012
